

ABOUT US

Arrowhead Transit is owned and operated by AEOA, and has been serving Minnesota's Arrowhead Region since 1974. It's the largest public rural transportation system in Minnesota.

Arrowhead Transit's bus service was originally created to provide low-cost transportation for low-income, disabled and elderly persons. We currently provide travelers and commuters alike with scheduled service, Dial-A-Ride and a Volunteer Driving Program.

Our drivers complete a comprehensive training program that includes defensive driving to customer service. Our drivers must maintain their commercial driver's license.
