

# Providing SAFE rides in the Arrowhead region and beyond!

## About:

Arrowhead Transit has been serving the Arrowhead Region of Minnesota since 1974, establishing itself as the largest public rural transportation system in the state.

Every year, we facilitate transportation for thousands of residents across 10 counties in Northeastern Minnesota and beyond.

At Arrowhead Transit, we offer a range of services to cater to the diverse needs of our travelers and commuters. These services include scheduled service, Dial-A-Ride, and a Volunteer Driver Program.

## Contact:

**VOLUNTEER DRIVER  
PROGRAM**

## YOUR COMMUNITY

Volunteer drivers play a crucial role in enhancing the quality of life for individuals facing transportation challenges by providing them with a compassionate and reliable means of reaching their essential medical appointments. Through their invaluable service, volunteer drivers not only transport people but also deliver hope, support, and comfort to those who may otherwise struggle to access necessary medical care. Their dedication exemplifies the power of kindness and solidarity, making a significant impact on the lives of those they serve and contributing to a healthier and more inclusive society for all.

### INSURANCE

A volunteer driver is required to provide enough insurance to allow them to drive legally in the state of Minnesota.

### VEHICLE

The vehicle must be safe, dependable and clean. Volunteer drivers use all different types of vehicles from small subcompacts to large SUVs.

## QUALIFICATIONS:

- Age: 18 or older
- Valid Drivers License
- Proof of Insurance
- Clean Driving Record
